Dear Prospective Sponsor,

Thank you for your consideration in supporting this women's gathering. The prospect of uniting in public celebration, co-creation, and shared euphoria is nothing short of a privilege and an honor.

G•Fest is in the midst of a profound transformation, evolving from a single visionary endeavor into a collective awakening of like-minded individuals seeking to usher in a new era marked by harmony and equilibrium. As a team, we are resolute in our commitment to craft a safe and sacred space on the powerful Mount Shasta.

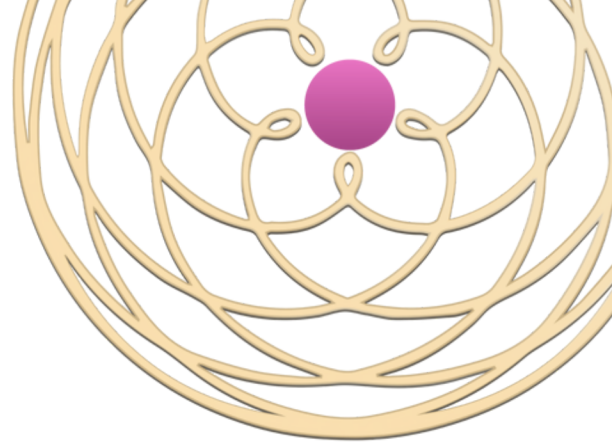

Our collective strength, amplified through prayer holds tremendous potential for the betterment of all. We are driven to create a lasting influence on a global scale, fostering an environment defined by joy, peace, love, grace, and harmony—a transformative sanctuary that participants can carry with them, thereby inspiring and impacting those they encounter.

We are dedicated to widening our circle, inviting more women to partake in our intentional efforts. Furthermore, this year, we are extending our reach to involve men as guardians of the Goddess, fostering a deeper level of participation.

Your sponsorship plays an integral role in expanding our capabilities. It will enable us to secure exceptional performers, bolster our marketing endeavors, access crucial legal and business support, and harness the technical expertise necessary for capturing and sharing our transformative journey. Together, we can create a far-reaching ripple effect that resonates across the globe, inspiring, influencing, and embracing all those who seek to be a part of this extraordinary journey.

With profound gratitude for your consideration,
The G•Fest Team

About Us

G•Fest was birthed in 2017 by our Founder Mikayla Lev as a women-led musical celebration at EarthStar – a private residence in Mount Shasta.

With inspiration from the Goddess and community support, it grew into a larger gathering with the addition of ceremonies and workshops focused on women’s healing, expression, personal growth, leadership, and empowerment – from a one day event to a whole weekend transformational experience produced by a team of women.

G•Fest is unique for having a retreat-like setting with a festival atmosphere. Based in Mount Shasta, our focus on creating a transformational experience is deeply supported by being in the mountain’s vortex.

Mission

To produce transformational gatherings that promote personal growth and empowerment for women through connection, ceremony and celebration, supporting the rise of the Sacred Feminine.

About The Event

A Gathering of Sisterhood in a nourishing, activated, empowering space, to reclaim and uncover the deeper aspects of the divine feminine. We unite to create a space where we transcend the conditioning that may have hindered our expansion as individuals. It is time for us to come together, celebrate, rekindle, embody, and wholeheartedly embrace the mastery of the elements within us, fostering our growth as women and as a collective.

We offer many opportunities to experience transformative workshops with heart-centered facilitators that help accelerate women on their path, clear obstacles and empower them to step into their next phase of evolution. At G•Fest, we become a community of like-hearted women, create lasting connections, feel uplifted, supported, energized and renewed.

Located at a beautiful venue surrounded by endless acres of national forest, with a crystalline river running through it, just a few miles from Castle and Heart lake, with full camping facilities.
